NEWS FROM THE OFFICE...

How to unlock the entry door for your visitors:

Before unlocking the door, you should confirm who it is and announce to them that you are unlocking the door for them.

To unlock the door:

- 1.) Push the DOOR LOCK RELEASE to the left or right
 - 2.) **HOLD** that position for at least a count of 5
- This gives your guest time to get to the door and open it

Do not push the release switch back and forth.
As soon as you let go of the release switch it relocks the door!

HUD Review / Possible Apartment Inspection:

On May 16th & May 17th (if necessary) a representative from our Contract Administrator, CGI Federal, will be at Washington Towers to perform a Management and Occupancy Review (MOR). This is a HUD required inspection and review of the management procedures, tenant files and HUD compliance of Washington Towers. During this review, the representative **may** do an apartment inspection of **ANY** apartment. **This is your required notice of the potential for your apartment to be inspected.**

Thank you and contact the office if you have questions or concerns.
