## What's Happening in August at Washington Towers...

### Tuesday, 8/4– 1 to 3 pm-Lounge

Afternoon Bingo!

### Thursday, 8/13

Pest inspections by Erlich

Sign up deadline for window washings by Mother Natures

### Tuesday, 8/18

For those who signed up, window washings by Mother Natures will begin at 9 am

Face masks are still required when you exit your apartment for any reason.

Proper social distancing of 6' should be maintained whenever possible.

If not from the same household, limit occupancy on the elevator to (2) on the small elevator & (3) on the large.

## Bingo is Making a Comeback!!

So that we can maintain a safe environment for our tenants and staff, we will slowly begin to open the lounge

Bingo will be played on Tuesdays  
1 to 3 pm

Masks are required when not seated at a table  
Proper social distancing must be followed

First Bingo will be Tuesday, 8/4

## Our Pest Management Plan:

We have a contract with Ehrlich Pest Control to service our building's Integrated Pest Management Plan, which is required by HUD. Our plan normally calls for treatment of every apartment twice per year to make sure that bed bugs and any other pest are not a problem.

Due to the Coronavirus pandemic, Ehrlich is going to INSPECT all units on **August 13, 2020**. Apartments will only be treated if there is an issue. You do not have to leave your apartment during the inspection, unless you choose to do so. You are asked to wear a mask the entire time you are in contact with the tech. If you remain in your apartment, please stay in the kitchen area, giving them access to your upholstered furniture in the living room and your bedroom. You can step into the hall if you prefer. The tech from Ehrlich will wear a mask & gloves and observe all social distancing requirements, as much as possible, so please do the same.

The tech will arrive and begin inspections on the 6<sup>th</sup> floor at approximately 9am. They will move down floor by floor and complete the entire building the same day. I cannot give an exact time for each floor or apt. so please be prepared throughout the day. You do not have to be home or stay home to let them into your apt.

You will be notified if there is any pest issue that must be treated.

We are trying to balance keeping you safe during the pandemic while also making sure we do not neglect our Pest Management Plan.

If you have any questions or concerns, please call the office. 585-344-0200
