A reminder from Maintenance..

Pizza boxes do not go in the trash rooms on floors 2-6! Break them down and put them in a bag and down the chute or take them to the first floor trash room and place them thru the chute door or if you can't break it down, leave it on the floor of the First Floor Trash Room only!

Do not leave items on the benches that are located on each floor by the elevators. If you are not sure how to properly dispose of them, please check at the office.
