- 11/29-Linda Adam
Apt. 509

Helen Mullen-Apt. 207

Information on the NEW DOOR ACCESS SYSTEM:

On Monday, October 30, 2017 a new computerized door access system is being installed for the front and back entry doors. There will be new key FOBS issued to all tenants to replace the “button keys” that are in use now. The new system should be installed, up and running on Monday!

Initially, you will receive one fob to replace your own button key. The plan is to exchange those keys on Monday while the system is being installed.

The intercom entry system will still be usable while the install is being done. Your guest can still buzz you for access.

For those who have purchased additional button keys for family or caregivers, we hope to receive and program more key fobs within the week. When they are ready, we will provide information on how to exchange those. There is no cost to exchange for a new fob, unless the old one is not returned.

Thank you for your understanding, patience, and cooperation while the upgrade is in process.

We apologize for any inconvenience this causes.

What's Happening in November at Washington Towers...

Sunday, 11/5- 2am

Daylight savings time ends

Turn your clocks **back** one hour

5-9 pm

Lounge reserved for private event

Monday, 11/6-Lounge-6 pm
