WHAT SHOULD YOU DO WHEN YOU HEAR THE FIRE ALARMS?

If you are in an apartment, as the instructions on the inside of the door indicate, you **REMAIN IN THE APARTMENT. DO NOT OPEN THE DOOR. DO NOT LEAVE THE APARTMENT.**

If you are in the hallway, you go into the nearest apartment, yours or a neighbor's. **DO NOT TAKE THE ELEVATOR.**

If you are in the common areas (the lounge, the laundry, mailboxes, etc.) you need to exit the building through the closest safe exit or, you can take refuge in a neighboring apartment, if it is safe to do so.

If you exit the building, the assembly or meeting point, is at the far end of the parking lot, the corner of Alva and State Streets, by the flagpole. **DO NOT GO UP STAIRS OR TAKE THE ELEVATOR!**

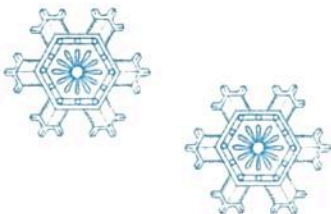

HOW WILL YOU KNOW IT'S "ALL CLEAR", meaning the situation is no longer a danger to you or; you may return to the building:

Watch Channel 3 on your TV (the view of the entry foyer) and we will indicate "All Clear" with a Green sign. If you have evacuated the building, the fire department will make an announcement over their PA system.

Someone is smoking in the stairwells of our building. Whether it is a tenant, or a guest, it is a violation of the tenant's lease and is grounds for EVICTION.

Cigarette smoke, ashes & unextinguished butts are being left in the stairwells. This a health and fire hazard. This is your home! Do not be intimidated by anyone! If you know who is committing this violation, please report it! It is not squealing or tattle tailing!

This is a very serious situation and it must end. Please help us to protect our building & our residents.
