Q & A on pets ...

Q: Can my granddaughter bring her dog or my sister bring her cat to visit?

A: No! Pets are not allowed in the building unless they belong to a resident and are in a carrier. There is a sign posted in the entry foyer and it is stated in your lease.

Q: My friend has a service animal, may she bring him for a visit?

A: Yes! Certified service animals are allowed.

Q: Can a dog relieve itself anywhere on the property?

A: No! Designated areas on our property to walk dogs are in the grass on the Jefferson Avenue and Washington Avenue sides of the building, as well as along the sidewalks on State, Alva, Jefferson and Washington. Pets should not be out of their carrier anywhere in the front of the building or parking lot.

Q: Are pets allowed in the common areas, like the lounge or laundry room?

A: No! Pets may be transported in a carrier if the owner is disposing of animal waste or on the way out or in.

Reasonable accommodations for disabled/handicapped persons may be granted, upon written request. If you see someone who is not abiding by the Pet Rules, do not assume they are breaking a rule. Please advise the office and we will determine if a lease violation has occurred.

Tenants are responsible for informing their guests of our rules. Failure to adhere to the Pet Rules may result in a lease violation.

We encourage anyone who has concerns or questions about the Pet Rules, or any policies, to discuss them with an office staff member, not other tenants!
