Washington Towers' management is happy to be able to offer a new option to automatically deduct rent payments from a bank account each month.

### Automatic Rent Payments

This process is a way for you to have rent automatically paid each month with an auto withdrawal from your checking or savings account. There is no fee for this service. The benefits include not having to write checks or get money orders and even if you are ill, hospitalized, or out of town, the rent will be paid accurately and on time.

Washington Towers processes the withdrawal from your account. You do not have to do anything at your bank. Even if your rent changes due to your recertification or a Utility Allowance change, you don't have to notify the bank. We will do it through our account at Five Star Bank.

Payments will be deducted directly from your bank account on the 4<sup>th</sup> of every month for the exact amount of your rent due to Washington Towers. If the 4<sup>th</sup> is a weekend or holiday, payment will be processed on the next business day.

You sign an authorization form which will give us the bank account and routing numbers. This agreement will remain in effect until cancelled in writing (unless a disability requires another form of notification).

Any change in bank or bank account information must be provided 10 business days prior to the next withdrawal date.

If there are Insufficient Funds in the account at the time of the withdrawal, a fee could be charged by our bank or your bank, just as it would if a check "bounced".

We look forward to being able to process your rent for you...**quickly, easily and accurately.**

Along with the newsletter, you are receiving a form to complete to have your rent automatically withdrawn. Completed forms received by October 20, 2017 would be processed for November 4, 2017 withdrawal. Our Friday Forum on October 13th will be about the Automatic Rent Payments. We will answer any questions and help you complete the forms.
